

## Group Policy Outline

### Roles:

- Ben: Will work on TripleThreat Default.
- Mary: Will work on TripleThreat Restrict Users and TripleThreat Admins.

### Policies:

- TripleThreat Default:
  - Enable Desktop Wallpaper
  - Apply this group policy to authenticated users **only**.
- TripleThreat Restrict Users:
  - Restrictions mentioned in the GPO lab plus anything else you think a normal user should be restricted from
  - Create a security group called 'Restricted Users' and add a test user to this group. Apply this group policy to this group **only**.
- TripleThreat Admins:
  - Disable Windows Update
  - Apply this group policy to domain admins **only**.
